

Dubin Art League September 17, 2020 Minutes

Opening: Introduction of officers

Community Liaison-Dawn Petrill asked for help to help her with her position.

Business: Treasurer Report- Kar reported that we have approximately \$20,000 in our account at this time. It was brought up that we may use some of the money to reach out to the community or possibly create a hard copy of the members. A hard copy could be difficult because members are joining over several months.

Upcoming Events: Paint Out will be held October 24. The city of Dublin is hoping to hold a Family Fall Fest the same day.

Membership Renewal: Form is available on the DAAL website. Checks can also be mailed to Kar Sheperd

Community Exhibits: Judy Coggin has set up a Google Docs form to sign up for participating businesses. Email Judy at jrcoggin@gmail.com to invite you in. After signing up, take a screenshot to save. It is advisable to send this screenshot to Judy.

Fall Show: The Fall Show will be on exhibit (hopefully at the Rec Center) starting Nov. 17th. The space will be limited, so the number and size of pieces will be restricted. More news to come on the details.

Grant Proposal for DAC Funding: The Executive Board will be meeting on Zoom to discuss and finalize the grant.

Upcoming Speakers: Phil Adams, a photographer, will be the speaker for our October 15th meeting. David Engler is looking for a January speaker and would appreciate any input.
